WELCOME & WHY **SECURITY** **IS A SMART CHOICE**

Security is one of South Africa's biggest and fastest-growing industries. Thousands of jobs are available right now.

At TSASA we don't just give you a certificate. We give you a real career ladder with clear steps, higher pay, and exciting options.

Whether you want steady site work, armed response, technical installation work, or to run your own company, we have the exact training path for you.

Why choose TSASA instead of cheaper options?

- Instructors with over **30 years' real security experience**
- **Proven track record** producing top Armed Security Officers
- Practical, **hands-on training** (not just theory)
- Full **support** from registration to PSIRA upload
- **Payment plans** available
- Training venues in Johannesburg and Western Cape

BASIC REGISTRATION REQUIREMENTS:

- OVER 19 YEARS OF AGE
- SOUTH AFRICAN CITIZEN/ PERMANENT RESIDENT
- CLEAN CRIMINAL RECORD
- ABLE TO UNDERSTAND, READ, AND WRITE ENGLISH

**THE QUICKEST WAY TO GET REGISTERED
WILL BE TO COME VISIT OUR OFFICES.**

**PLEASE READ THE PROVIDED INFORMATION
TO GIVE YOU A BIT MORE INSIGHT INTO THE
PSIRA TRAINING PROCESS AND COSTING .**

WE DO HAVE **PAYMENT PLAN OPTIONS.**

YOUR **SECURITY CAREER** LADDER

Step 1: Foundation – Grades E, D & C (Mandatory)

- Grade E: Patrolling, observation, basic reporting
- Grade D: Access control, ID checks, gate duties
- Grade C: Emergency response, team support, higher-risk sites

Purpose: These three grades are required by law to register as a legal Security Officer. Jobs: Site Guard, Patrol Officer, Retail/Mall

LEADERSHIP & MANAGEMENT LEVELS

Step 2: Add Grade B – Become a Supervisor

- Manage teams, control rooms, rosters
- Jobs: Shift Supervisor, Control Room Operator, Team Leader

Step 3: Add Grade A – Reach Management

- Plan operations, risk assessments, run big sites
- Jobs: Security Manager, Operations Manager, or start your own security company

POWER-UP SPECIALISATIONS

After completing E+D+C you can immediately add exciting modules while you are already working and earning.

- Firearm Competency → Armed Security / Response Officer (huge demand)
- Armed Reaction / Cash-in-Transit
- Special Events Security (concerts, festivals)
- VIP / Close Protection
- Technician → Install and maintain alarms, CCTV systems, electrified fencing, automated gates & motors (hands-on technical career with steady work)
- First Aid, Fire Fighting, CCTV Operator, Retail Loss Prevention

You choose your own path – many learners complete E+D+C first, start earning, then add one power-up at a time.

HOW THE TRAINING WORKS AT TSASA

- Each grade takes one week
- You receive full manuals and workbooks after registration
- Attend full-day orientation class (Thursday)
- Write your exam the following Friday at your chosen branch
- We strongly recommend attending classes for the best pass rate

Certification Process

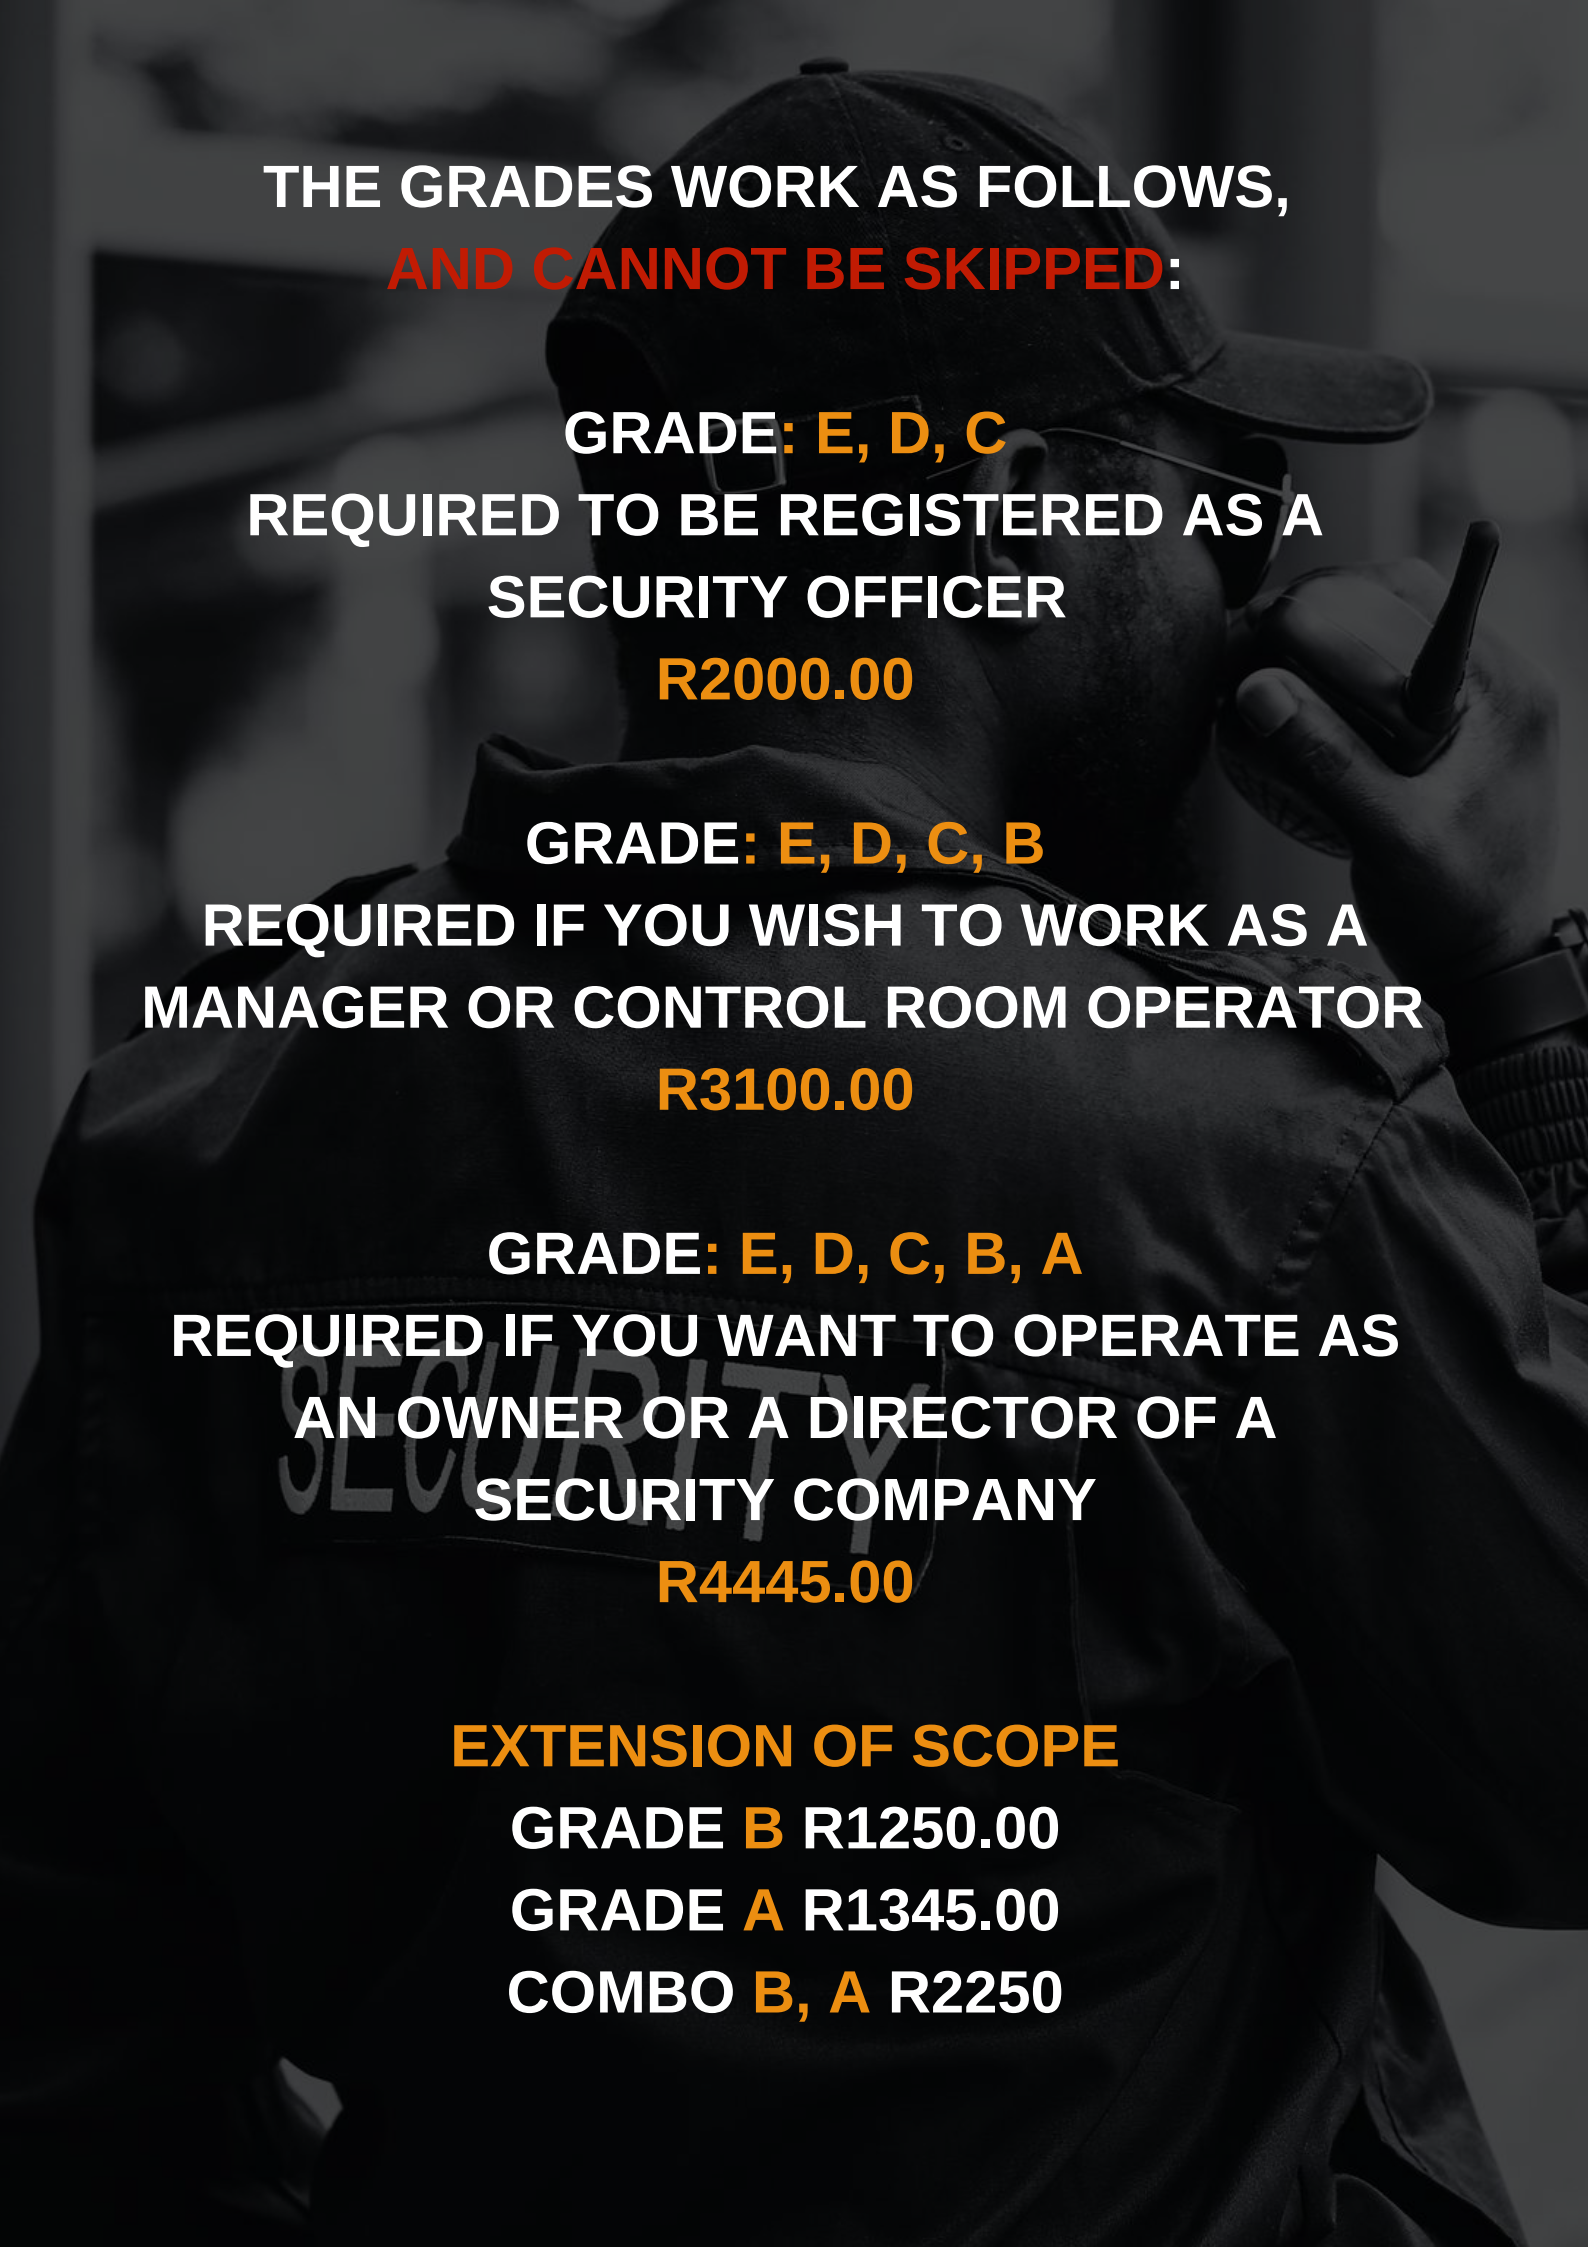

After you pass all grades, TSASA issues your certificates and uploads all results directly to PSIRA for verification.

AFTER TRAINING

1. TSASA uploads your results to PSIRA
2. You receive your Statement of Results and certificates
3. Go to the official PSIRA Digital Services portal:
<https://digitalservices.psira.co.za/>
4. Create an account / log in
5. Complete the online application for Security Officer Registration
6. Upload your ID, certificates, proof of address, and any other required documents
7. Pay the PSIRA registration fee (exact amount shown on the portal)
8. PSIRA reviews and approves your registration (you will receive SMS updates)

Once approved, you receive your official PSIRA registration card and can legally start working immediately.

TSASA SUPPORTS YOU THE WHOLE WAY – WE GUIDE YOU THROUGH THE PORTAL IF NEEDED.

GRADE TRAINING OVERVIEW

Grade training takes one week per grade.

We strongly advise learners to attend classes to complete each grade after registering with us. Registration can be done via email with an EFT payment. Once registered, we will send you all the necessary manuals and workbooks. You will study and complete these materials in class, and then take your exams in person at one of our exam centers listed above.

Training and Exam Schedule

Learners can complete one grade per week. Attendance at a full-day orientation class on the designated Thursday is required before taking each grade's exam on the following Friday at the registered branch.

Certification Process

After passing the exams for all registered grades, TSASA will issue certificates to the learner. All course reports will be uploaded to PSIRA for verification.

Training Venues

- For available training dates, please refer to our calendar on our website or Facebook page.

Our main training locations are:

- JHB Sports Stadium, Johannesburg
- Western Cape by application

NEED MORE INFO?

Please call or WhatsApp us at 076 890 6683.

How to Register for any of the TSASA Training Courses:

In person:

- You can register for any of our Courses at any one of our training Centres or affiliated suppliers, simply by coming into the centre, completing the registration form, and making the payment for the course you wish to attend, after payment is received the relevant training materials will be issued and a booking is made when classes are to be attended before the assessments.

ONLINE TRAINING?

You can register for a number of courses online with TSASA via our website www.sasecurityacademy.co.za unfortunately registering online will require the full payment amount(*no deposit), once registered and a profile created on the relevant platform, your course will be added to the account and you may begin to prepare, once you are ready for the assessments, you may contact the nearest TSASA branch to make a booking for the assessment.
